

I'm back....

Posted on **May 11,2017** by **nmcreatrix**

I just got back from two glorious weeks in England, Scotland and Wales! more to come on that later... but today my message from the Universe was: You only ever have to do what you're capable of doing, Shari, because by design, no matter how things appear, you'll always have enough time to do it, you'll do even better than you thought, and life will get even richer than you imagined. Chic-a-boom,
