From the We'Moon Lunar News for New Years Weekend:

But back to this week, a Gemini Moon over the weekend brings great conversation and last-minute ideas, and good time to talk over the review of the year. . .

On New Year's Day a moody full Moon in Cancer calls us to our hearts and stomachs. Let's feed one another and really think about what nourishes us, then resolve to nourish our soul, our earth, and our community in the year ahead that Moon opposes the Sun, Venus, and Saturn.
