

Full Moon in Cancer for the New Year

Posted on **January 02,2018** by **nmcreatrix**

Mysticmama had some great insights into the 2018 astral plane. See the entire post [HERE](#)

“Cancer, sign of the Great Mother, is a sign of comforting love that deeply nourishes our emotional bodies, represents fertility and gestation within the moistness of the womb, and embodies the circle of security and protection of the family...” Pat Liles, ThePowerPath.com
