

We'Moon gives me hope...

Posted on **January 06,2018** by **nmcreatrix**

Love my We'moon... more information can be found [here](#)

"We will need to fill the wells of our spirit, or we may crave escape from ordinary reality . . .
If our souls are well fed, and we feel connected to Source, we can hang in there, hold the vision of a
better world, and do the work that needs to be done. . . . strengthen, and structure our work. . . ."

excerpt [Heather Roan Robbins](#) © Mother Tongue Ink 2017

Read the entire years outlook in We'Moon 2018: La Luna Pg 12 -14
